 **HARI PRASATH.G (1904011)**
 **JAYASURYA M(1904022)**
 **NITHIN RAM C B (1904030)**

PROBLEM STATEMENT:

-  Expense Tracker is a simple web application to manage and document day to day expenses all along with providing a nice overview of the monthly statistics on the categories of different consumptions .
-  It's a responsive web application that works great with various devices and browsers.
-  It is beneficial to manage our income and expenses on a daily, weekly, or monthly basis, or whenever we want to remind ourselves.

A report on Monthly Expenses

Suggest the Expense plan

HARI HARAN

An alert messages that tells the user if he spends too much

Store the data in IBM Cloud Database

HARI PRASATH G
